

Anderson Named Top 100 NC Small Business

Cary, NC.-June 24, 2008. Anderson Homes, the largest locally owned and operated private new homebuilder in the Triangle market, has been recognized by Business Leader Media as a Top 100 NC Small Business of 2007.

While thirty-seven Triangle companies were named to The Top 100, just 10 commercial and residential builders made the list, and of these, only two were local homebuilders.

Anderson was selected because of its substantial 2007 revenue growth, outstanding business achievements and awards won, and exemplary community involvement.

Anderson achieved record sales revenue and home closings for 2007. New home closings grew more than eighteen percent from 2006 and sales revenue increased over forty percent for the same period.

Anderson is the only two-time ENERGY STAR® Partner of the Year award winner for the Carolinas, winning the coveted award in 2006 and 2007. They also received the 2008 ENERGY STAR® Leadership in Housing Award from the US Environmental Protection Agency and US Department of Energy. This award is bestowed upon homebuilders making outstanding contributions that help protect the environment while offering superior energy efficient new homes. Big Builder Magazine also ranked Anderson Homes “Second Best Growth Builder in America.”

Business Leader received over 367 nominations. The local business community will have the opportunity to vote on the Top Ten Leaders ranking. To place your vote for Anderson Homes as the top North Carolina small business, please visit www.Businessleader.com/Top100NC.

About Anderson Homes

Founded in 1980, Anderson Homes is the Triangle's largest locally owned and operated homebuilder. The company's innovative approach to home building, including the breakthrough Peak Performance Home, combines certified ENERGY STAR® performance, along with the quality and distinctiveness of customized homes coupled with the cost savings of volume building. Anderson Homes has become one of the most respected and sought after builders in the Triangle area of North Carolina. In 2006 Anderson added a new semi-custom division, Vanguard Homes, to take the Peak Performance platform into new price points and markets.
