Raleigh, NC – April 15, 2008 – Anderson Homes is celebrating their 5,000<sup>th</sup> home closing in the Triangle by sending one lucky homeowner and a guest to the island of Kauai, Hawaii. As the only 2006 and 2007 ENERGY STAR® Partner of the Year in the Carolinas, and a 2008 ENERGY STAR Leadership in Housing Award recipient, Anderson Homes is proud to continue leading the way with their Peak Performance homes. Their Peak Performance ENERGY STAR homes conserve energy, provide improved indoor air quality, and help reduce every new home’s carbon footprint.

It is only fitting that the winner of the Hawaii Trip celebrating Anderson’s 5,000<sup>th</sup> home closing, will experience an unforgettable visit to a natural environment under careful preservation. The island of Kauai, with its pristine and awe-inspiring beauty, is the perfect destination selection to complement Anderson’s award-winning ENERGY STAR/Green Building initiatives.

In keeping with their corporate environmental principles, Anderson Homes will pay the appropriate carbon offset fees for the winner’s airline flight to and from Kauai.
